Tax Refunds

Duty-Free Information from Tokyu Hands Shibuya Store
Duty-free shoppers may apply for consumption tax refunds at the Information Desk on B2C before 8:00 PM.

- Duty-free purchasing cannot be done directly on the sales floor. After making your purchases, which will include the consumption tax, please go to the Information Desk on B2C and present your passport and sales receipts. You must have your valid passport with you. (We cannot accept copies of passports, copied passport numbers, or identification cards.)
- Duty-free services are available only to customers who have been admitted into Japan as tourists for stays of no more than 6 months.
- Consumption taxes will be refunded on purchases made on the same business day totaling 10,501 yen or more (including taxes). (Multiple receipts will be tallied.)
- The following products are not duty-free:
Non-durable items such as food, soft drinks, alcoholic beverages, protein supplements, cosmetics, detergents, bath powders, soaps, toothpastes, bonding agents, paints and pigments, dyes, films, and dry cell batteries.
- Duty-free items are limited to durable items purchased for personal use. Products purchased for commercial- and industrial-use are not tax exempt.
- Duty-free refunds are limited to purchases made at the Shibuya Branch of Tokyu Hands. (Purchases made at other Tokyu Hands branches are not tax exempt.)
- Duty-free applications can be made after the day of purchase. If you do not have your passport with you on the day of purchase, applications will be accepted up until your departure from Japan.
- Please read carefully the stipulations printed on the back side of the form listing your duty-free purchases, that has been attached to your passport.
- Customers with diplomatic status must present their Tax Free Card.
